

Attendance: Group 1, Group 2, Group 4, Group 5, Group 6, Group 7, Group 8, Group 9

Last session's Points of Action:

- Add new discord role + channel for testing oath 2.0 - DONE
- Get specifics on getting user data (oath 2.0)

This week:

- Puzzle JSON:
 - o Potentially have optional field for solved sudoku.
 - o If present, can be used for ease of comparison.
 - o To be added in spec.
- Add JWT mention to specifications AFTER D2 DEADLINE – to be added to wiki later, but no need to take this into account for now.

Points of Action:

- Next meeting will be used to make sure our supergroup integration works. Testing in Jack Cole.
